## Anti-Static 11mm Castor (Individual)

Our Anti-Static 11mm Castor is the perfect accessory for your office chair. With this product, you can easily replace any old or worn-out castors on your chair with high-quality anti-static ones. This helps reduce the risk of electrical shocks caused by static buildup, making it a safer option for any workplace. The durable design ensures smooth and effortless movement on any flooring, preventing any damage to your floors. With these anti-static castors, you can enjoy a more comfortable and safe work environment. Upgrade your office chair today with our Anti-Static 11mm Castor and experience the benefits of a high-quality, anti-static seating solution.
